

To Whom It May Concern:

Hello, my name is Katlyn Linsley and I am writing you as the President of the Central Illinois Autism Association. We do many things, all locally, to support adults and children with autism. We provide families, teachers, and therapists with grants to help fund items for the classroom and home.

Now, I would like to tell you about a new community outreach program, which can benefit your organization. Individuals with autism often have difficulty with social situations, changes in schedules, and have a variety of sensory needs. We can provide customized supports for you to have onsite available for families and classrooms that come to visit. We can also provide basic autism training for your staff. Best of all, we do this free of charge! We want to provide you and individuals with autism the most meaningful and successful experiences possible.

As a special educator I know how difficult new situations can be for individuals with autism. By working together, we can help curb these anxieties and make a memorable experience for everyone!

If your organization is interested in this opportunity, please fill out the attached form and return to:

**Central Illinois Autism Association**

507 East Armstrong Ave

Peoria, IL 61603

fax: (309) 687-2030

Or email to- [autismpeoria@gmail.com](mailto:autismpeoria@gmail.com)

We look forward to working with you to help grow our community to be a more inclusive environment for all!

Katlyn Linsley  
CIAA President
